

Job Opportunity: Technical Director /Stagecraft Instructor

for the Team of Stars Summer Camp. The location of the camp is Gaithersburg Middle School (2 Teachers Way, Gaithersburg, MD 20877) beginning July 6 -30, Mondays through Fridays, with work hours from 9:00am to 4:00pm.

Team of Stars Camp focuses on issues of importance to middle school youth through the vehicle of musical theater.

During this 4-week program, daily classes are presented in dance, acting, music, stagecraft, and life skills, Dialogue Circles and interactive lessons on important issues are led by qualified adult facilitators who provide students with the tools to discover their own abilities. The camp culminates with a final production devised by the students.

We are looking for a candidate with experience teaching/working with youth in the area of stagecraft/theater tech - lighting, sound, costumes, and set building.

- Attend one day staff orientation prior to start of camp.
- Serve as Technical Director for the Team of Stars production
- Teach stagecraft classes
- Provide assistance where needed at camp
- Take part in a Restorative Practices mediation for campers and/or staff when necessary
- Assist with striking the stage and clean-up for a ½ day on Aug. 1
- Must undergo background check.

Please submit resume to nancy@projectchange-md.org
